

LETTER OF COMMITMENT TO FUND THE EU-CELAC JOINT CALL 2017/2018

The *National Secretariat of Science and Technology from Guatemala*, is willing to participate in the **EU-CELAC JOINT CALL 2017/2018**

TAKING INTO CONSIDERATION the provisions of the Grant Agreement 609484 (relating to project “Network of the European Union, Latin America and the Caribbean Countries on joint Innovation and Research Activities”) of the European Commission -Directorate General for Research & Innovation, signed in Bonn, Germany on August 29th of 2013; we agree with the process and schedule described in the TERMS OF REFERENCE for the EU-CELAC JOINT CALL formulated during the Funding Agencies’ Meeting in San Salvador on 3rd October 2018.

The following budget will be available for project funding: \$68,165.00 (sixty-eight thousand, one hundred sixty-five dollars) per project that is competitive.

The funding parties will make the final funding decisions according to national/regional procedures and regulations.

All information related to the projects will be kept confidential and not used for any other purpose than evaluation of the application, making a funding decision and monitoring of the project.

For this collaborative activity Mr. Leonel Monterroso, Head of the International Affairs Department, will be our contact person; contact data:
