

ANNEX 2: NATIONAL REGULATIONS OF FUNDING PARTIES

Applicants will be advised to check with the respective national Call Contact Person the eligibility as to who may apply and what costs are eligible before a consortium submits the complete application.

Contact Details	
Institution	Chief Scientist Office, Ministry of Health (CSO-MOH)
Country	Israel
First Name	Ayelet
Surname	Zamir
Email	Ayelet.zamir@moh.gov.il
Telephone number	+972-2-5082168
Initial Funding Commitment	Up to 300,000 Up to 2 funded projects. Up to 140,000 euros (up to 600,000 NIS) per project. An additional budget up to 20,000 euros (up to 100,000 NIS) will be granted if the Israeli researcher is the coordinator.

Who can apply?

PI should hold a Ph.D., M.D., D.M.D. or equivalent degree and employed by an eligible institution - a university, research center or hospital. Research authority must approve position prior to submission.

Research will not be funded simultaneously by CSO-MOH on more than one grant (ERA-NET or national). Researchers can not apply for more than one grant from any ERA-NET funded by CSO-MOH or submit more than one proposal for any single program.

Industrial partners can apply on their own funding only.

What types of costs are eligible for funding?

Personnel (students, technicians. applicants excluded); Animal, Materials and consumables; Travel (up to 10%); Institutional overhead 10%. No permanent equipment.

Upper funding limits for eligible costs?

Up to 140,000 euros (up to 600,000 NIS) per project. An additional budget up to 20,000 euros (up to 100,000 NIS) will be granted if the Israeli researcher is the coordinator.

Additional national eligibility criteria for the proposal beyond the general criteria in the Terms of Reference of the Joint Transnational Call

Prior to submission, researchers must submit to CSO-MOH an abstract approved by their research authority including detailed budget distribution. This is not the consortia abstract, but an abstract describing the activity of the Israeli researcher within the consortia. No submission of abstract can lead to disqualification of the whole application, as well as the consortium. Bioethics approvals, if applicable should be submitted with the application or within 4 months later. Submission of financial and scientific reports at the national level is required annually.
