Email	convocatorias@prociencia.gob.pe	
Initial Funding Commitment	400,000.00 Euros	

Funding for Peruvian organizations is granted by CONCYTEC through PROCIENCIA (executive branch). Peru participates in this call funding projects in two topics:

1. HEALTH

1.2. Health II - EU-LAC Regional Hubs: integrating research infrastructures for Health and Disease

2. BIODIVERSITY

2.1. Biodiversity and Ecosystem Services Research Infrastructures

Who can apply?

Universities, research institutes, technology transfer or technology extension centers, NGOs, Peruvian businesses or business associations.

What types of costs are eligible for funding?

Direct Costs:

- Monetary incentives for postdoctoral researchers and/or specialized technical advisors to implement technological innovation projects.
- Monetary incentives for the Principal Investigator and other researchers.
- Monetary incentives for graduate and undergraduate students.
- Purchasing, leasing or licensing for equipment, instruments and software for research.
- Materials, supplies and consumables for research and prototyping, including reference literature.
- Technical and support services directly related to project execution, including analysis, equipment maintenance and repair, surveys and specific market studies.
- Domestic and international travel expenses related to project development and presentations of results in specialized meetings and fairs.

Indirect Costs:

- Administrative expenses of the institution up to 10% of the budget from the Peruvian endowment. This includes administrative and staff support, outsourcing administrative services and support, among others.

Upper funding limits for eligible costs:

The upper Peruvian funding limit for each consortium is 100,000.00 Euro, distributed through a period no longer than 36 months.

Direct Costs:

- A maximum of 70% of the fund granted can be used for project staff or assignments.
- A maximum of 20% of the fund granted can be used to purchase equipment.

Indirect Cost:

- A maximum of 10% of the fund granted by PROCENCIA can be used for administrative expenses.

Additional national eligibility criteria for the proposal beyond the general criteria in the Terms of Reference of the Joint Transnational Call:

1. The Principal Investigator and other researchers must be enrolled in the National Directory of Researchers and Innovators (<https://ctivitae.concytec.gob.pe/appDirectorioCTI/>).
2. All Peruvian teams must register their participation in this call at PROCENCIA <https://prociencia.gob.pe/> Call: Research Infrastructure: EU-LAC
3. Peruvian applicants must not be registered in the 'Registro de No Elegibles' – RENOES.
4. Applying organizations must secure a cofounding contribution for the project according in cash or kind. Research organizations contribute with no less than 20% of the funds requested from PROCENCIA, while businesses and business associations must contribute with no less than 30%.
5. Organizations applying for Peruvian funding must be domiciled in Peru. They may be universities, research institutes, technology transfer or technology extension centers, NGOs, Peruvian businesses or business associations.
